Imphal College is a premier and second oldest institute of Manipur established on 20th August 1952. Today it becomes 60 years old and celebrated its Diamond Jubilee during the year 2012. The feeling to bring Quality and Excellence in the state through our institute was the main agenda of this Diamond Jubilee Celebration. This implies that we are to impart awareness to all over the country in general and NE India in particular. Keeping this in view, the college is organizing, under the sponsorship of UGC NERO, Directorate of Higher Education, Govt. of Manipur and Programme of Career & Counseling Cell of the college under UGC, NERO a two day national seminar on “Higher Education in India : Revitalization – in the perspective of XII FYP” during 26-27 February 2013.

In the present weathering scenario with low budget in Education of the state, revitalization of HE through other resources like central government, UGC and other financial bodies is the need of the hour. We need a thorough study of the objectives and proposals of the XII FYP of University Grants Commission in a positive perspective

for implementing in the NE states in general and the state of Manipur in particular. As and when HEIs are revitalized, only then we can bring Quality and Excellence in HE of the country in general and NE India/Manipur in particular. The instruments for revitalization from resource persons are invited and discussion regarding are called upon from all intellectuals and academicians across the country and abroad.

The papers are to focus on the following criteria:

1. Increase of Access & Equity
2. Enhancement of Quality
3. Excellence vs. Expansion
4. Revitalization of Higher Education Institutions of NE India

Under the sub-themes:

- 1. Inclusive Expansion of Higher Education**
